

Infants

We would like to welcome Brittany to the infant room as one of our infant teachers. Congratulations goes

out to our previous infant teacher Jessica on her move to the preschool room. We are going to miss you. We are also welcoming our new student William to our infant room. We have shown a lot of interest this month in sea animals, farm animals, blocks and colours. We had lots of fun singing songs about animals and learning all the sounds that each animal makes. We loved getting messy and discovering textures when making art based on some of our favourite sea animals. Building with blocks is a blast especially when we discover how fun it is to knock them down. Just a reminder that on March 8th 2020 the clocks spring forward.

Toddlers

We would like to start off by announcing the opening of our new classroom – Toddler 2 and we would like to welcome all our new friends!

For the month of March, we will be focusing on the basics such as; the alphabet, shapes and colours. Another thing that we will be working on with the children is name recognition by doing activities during circle time and art. All this will all be done through the children's various interests throughout the weeks. We would like to welcome all the parents to participate in our classroom activities by bringing in materials related to our weekly interests! Thank you!

Preschoolers

This March preschool will be discussing different types of community helpers each week. While doing our transportation programming, the children became very interested in the fire engines and police cars, so we will be continuing the learning by shifting to fire fighters our first week. If you have any pictures, objects or stories to share and help contribute to this project please let us know! As always we would like to welcome all of the new preschoolers into our classrooms, as well as their families, we are excited to learn and grow with you!

Event Calendar

National Dress in Blue Day

International Women's Day

Disney Day

Ms. Jessica's birthday

Delilah's birthday

Good Deed Day

Haven's birthday

Nylah's birthday

St. Patrick's Day

Crazy Sock Day

Down Syndrome Awareness Day

Thomas's Birthday

Merrick's Birthday

Show and Share Day

Centre Reminder

For March we will be focusing on Community Helpers and different roles in our community. We invite families to visit their child's classroom and do a "show-and-tell" about your professions. Our classes are very interested in learning about different roles and finding out what parents do when they go to work for the day. If you are interested in visiting your child's class, please let the office know. We'd love to have you join us!

When I was a boy and I would see scary things in the news, my mother would say to me, "Look for the helpers. You will always find people who are helping."

- Mister Rogers

Director

Happy International Women's Day!

This year it is celebrated on Sunday March 8th 2020. We celebrate women's achievements throughout history and across nations. It is also known as the United Nations (UN) Day for Women's Rights and International Peace.

International Women's Day events are held worldwide on March 8. Various women, including political, community, and business leaders, as well as leading educators, inventors, entrepreneurs, and television personalities, are usually invited to speak at various events on the day.

The International Women's Day logo is in purple and white and features the symbol of Venus, which is also the symbol of being female. The faces of women of all backgrounds, ages, and nations are also seen in various promotions, such as posters, postcards and information booklets, on International Women's Day.

A special thank you to all our strong leaders in our lives, we celebrate you and all that you do!
