

Infants

It is a great time of year; the birds are getting ready to return and the snow is melting. The Ground Hog showed himself, so... Spring is around the corner. We also welcomed with open arms a new supervisor to our centre, Marteina Guirguis. She is a dedicated and loving person and has been with Lullaboo for quite some time, let us give her our full co-operation. We have been having some fun with colours, and shapes in the Infant room. The little ones had so much fun watching colours change when they are mixed.

Toddlers

Toddlers and staff are looking forward for the many different activities that will be implemented in the month of march. We have a few exciting things planned. March 11th we will have a **Disney day**. Everyone can dress up as their favourite Disney character (Disney princess, prince's, Mickey mouse, Minnie mouse, 7 dwarfs...and many more). On March 13th we will have our bubble dance day. This month the toddlers will focus on Numbers, we will implement numbers in gross motor activities, fine motor activities, language and literacy and of course math.

Preschoolers

This past month was lots of fun. We had fun celebrating valentines day. Also, it was fun giving valentines, cards and cookies to our friends and loved ones. We had fun doing valentine activities. For craft we enjoyed making valentine wreath and decorated hearts with sparkles and stickers. Probing further, for sensory we enjoyed playing with valentine sensory bin. it was fun sorting different heart shapes and loved feeling their texture as all of hearts were having different textures. Besides this, we enjoyed playing in winter carnival. it was lots of fun playing different games. For gross motor. We dance on sleeping bunnies also, it was fun making ornaments with birds food. we enjoyed mixing the bird food with water and then gave them different shapes. Probing further, we enjoyed feeding the polar bear with balls. So, This past month was lots of fun we enjoyed exploring new things.

Centre Reminder

Throughout the month of February children were engaged with our Winter carnival. The children sure enjoyed themselves!

For March we will be focusing on Community Helpers and different roles in our community. We look forward to booking outside visitors to come visit your child's classroom throughout the month of March. Stay tuned for further info!

We also invite families to visit their child's classroom and do a "show-and-tell" about your professions. Our classes are very interested in learning about different roles and finding out what parents do when they go to work for the day. If you are interested in visiting your child's class, please let the office know. We'd love to have you join us!

Lullaboo obstacle course

Director

Happy International Women's Day!

This year it is celebrated on Sunday March 8th 2020. We celebrate women's achievements throughout history and across nations. It is also known as the United Nations (UN) Day for Women's Rights and International Peace.

International Women's Day events are held worldwide on March 8. Various women, including political, community, and business leaders, as well as leading educators, inventors, entrepreneurs, and television personalities, are usually

invited to speak at various events on the day.

The International Women's Day logo is in purple and white and features the symbol of Venus, which is also the symbol of being female. The faces of women of all backgrounds, ages, and nations are also seen in various promotions, such as posters, postcards and information booklets, on International Women's Day. A special thank you to all our strong leaders in our lives, we celebrate you and all that you do!
