

## Infants

Goodbye 2020, Hello 2021! This year was surely different but we still had a lot of fun! This December we made sure to keep the holidays cheer and enjoy the most out of our last month!

January is fast approaching and the weather is getting colder. We need to always make sure to bring our mittens, scarves, boots, hats, etc. so that we can go outside and play with the snow! Our programming for January will be filled with winter themed activities such as the weather, winter sports, winter clothing and more.

We appreciate all your help during 2020 and we hope to make even more fun memories in the coming year!

## Toddlers

During this Christmas season, toddler one has been happy and excited to be celebrating Christmas. In the toddler one classroom we have been celebrating through belonging and inclusion. We have been having fun with our friends and have been decorating the classroom, talking about Christmas season, singing Christmas songs during circle time like jingle bells, and Christmas Baby Shark, and making different crafts such as different snowflakes and Christmas decorations. As the year is coming to an end, toddler one is excited for the New Year ahead and will continue to incorporate belonging and inclusion throughout the classroom.

## Preschoolers

Happy January! Preschool 2 will be keep learning about the seasons. We will be discussing what animals go to school in the winter time, what do we dress up in the cold weather. Our goal is to guide children dress properly for different weather and seasons. We have the opportunity to talk about it during circle time and children will have a chance to present what do they have to dress up in the season. Beside just talking about this, we also give them a chance to talk about what they are wearing today. At the same time, we want to discuss with children what animals go to sleep and what animals we can see, why?

# Event Calendar

We hope everyone enjoyed their time off during the holidays. Your children are a joy to have around and we missed each and every one of them. Thank you for all of the gifts and appreciation, we are ever so grateful.

This January marks the start of a new year with new opportunities. Let us start this year off with endless positivity!

## Learning Fun

This Winter Sensory Bag activity is a great way for children and parents to enjoy mess free sensory play. Children can explore various squishy mixtures using their fingers.

Materials: Ziploc bag, hair gel, glitter and marshmallows

Instructions: Pour half a bottle of hair gel in a bag with all of the listed ingredients, seal tight and enjoy! You may want to tape the bag closed so the activity really stays mess free. You can also place the sensory bag in the fridge to allow for a “cooler” experience.

**Positive:** Professionalism, Quality, Reliability, Responsiveness, Value

Lullaboo is now doubt one of the best daycare centers. My kid loved going there and was excited every morning to go there. The teachers are great, the care and support they gave my child and me is outstanding. I would highly recommend it to any family looking for not just a great learning institution but also for having a place for their kids where they feel safe and happy

**Positive:** Professionalism, Quality

My sons have been in Lullaboo since they turned 1 and with the pandemic, my youngest have had to transition to daycare on his own. The teachers in Toddler 2, Ms. Pilar, Ms. Tina and Ms. Nancy have made this so much easier for us. They are professional, compassionate and love what they do. This has given us peace of mind during such uncertain times. While we cannot physically enter the building to observe the little ones, the pictures they send us and the willingness of my boys to go to "school" makes it very obvious to us that they feel safe and are happy. But I cannot forget the rest of the Lullaboo family. I thank you all for keeping my children happy and safe!

Amazing daycare! My son has been going here since he was 10months and is now 27months. The teachers in both classes have been amazing! My daughter will start next year. All over great daycare!! Extremely friendly staff!! :)

## Staff of The Year

We truly appreciate your feedback for our Staff of the year and would like to share with you this year we are honouring Ms. Zhandra. She has been working at Lullaboo since April of 2018 and has been an absolutely wonderful addition to our team! Ms. Zhandra truly loves what she does and it shows in her dedication and interaction each day. She always creates a warm, welcoming environment for the children and always with a big smile, even behind that mask. Ms. Zhandra takes the time to really get to know each child to provide the best possible care for them. She does a fantastic job with new transitions into her class and plans creative, engaging and educational activities for the children on a regular basis. It is evident that Ms. Zhandra's top priority is always the health and happiness of the children and their families and this is why she's our 2020 Staff of the year! Please help me in congratulating Ms. Zhandra.

## Director

This year has been a challenge and nothing like we had imagined. I hope you find the joy in the memories you were able to create together with your family and children during quarantine. Whether they be life changing or humble, there were gifts and this year had gains I know we will benefit from in years to come.

As we head into the Christmas and holiday season, knowing that it will look a little different this year, we hope you are able to enjoy a stress-free, anxiety-free holiday, in the company of your children. We hope you will continue to take little steps to ensure the emotional well-being of your self and your children.

Thank you so much for being part of our Lullaboo community. Our daily work with the children and delivering engaging educational content, and working with families in need of our support means so much. On behalf of all of us at Lullaboo we wish you a cozy and safe Christmas and holiday season with your loved ones. May your home be filled with all the joys of the season!

Together, we are enhancing the lives of children and their families by transforming education. Thanks to your partnership, this Christmas and holiday season.

I leave you with this quote-

***“There is no one giant step that does it! It is a lot of little steps.”***
