

Infants

Happy August!

We hope you are having an amazing summer!

We had a fun month in July, filled with splash days and water activities! We will be continuing our Water play days this month as well, so please look out for those days and bring the necessary items. The children will be needing items such as waterproof diapers, swimsuits, extra clothes, sandals, towels, and the like!

For programming, we will continue to learn about "Travel," and we will focus on the different continents we can travel to. We will learn about the various foods each country and continent have, the famous landmarks and more! We will have fun exploring the world with the infants!

Toddlers

Last week we have been focusing on healthy habits. We introduced different fruits to the children.

For art, children painted watermelon using pompoms and paint. They also did some process art using pieces of green construction paper or tissue paper to fill in the pears, bananas and apple cutouts.

Moreover, children added colourful pompoms like red, green and yellow to the sticky trees. They learn math and colour by sorting the apples on the corresponding popsicle sticks. In conclusion, children explored a sensory soil bin where they planted different fruits.

Preschoolers

An Active August in Preschool 2!

For the month of August we will be focusing on sports!

Baseball Week

We will be learning all about baseball! What different materials do we use for baseball bats?, counting the bases, decorating Blue Jay's pictures and learning about what muscles we use to throw balls.

Swimming week

During swimming week we will cover a range of sports like: water polo, speed swimming, diving and synchronized swimming. We will also be learning about the importance of water safety!

Hockey Week

For hockey week we will be learning about the Toronto Maple Leafs, ball, ice and field hockey, what materials we need to play, as well as the different types of positions there are!

Gymnastics Week

During this week we will be looking closer into the art of gymnastics! Balancing, ribbons, tumbling and jumping – as well as the muscles and creativity we need to do these activities!

Circle-Time Yoga

Ms. Sen and Ms. Michelle have started a new daily exercise at the start of circle time! Around 11 am every day we sit down at the carpet with all of our friends and listen to relaxing music while stretching out our bodies.

Downward dog, child's pose, pigeon, flapping our wings like butterflies, standing like flamingos – there are many different stretches we do to help us all relax before listening to stories and songs.

Friday's will be Show & Tell!!

Starting Friday August 6th Preschool 2 will be having a weekly Show & Tell! This means that every Friday your child can bring in one of their favourite toys, during circle time they can show it to their friends and tell them about why it is special to them! (Please be sure not to bring in anything too special, just to be safe!)

Event Calendar

August 2nd Civic Holiday - **Centre Closed** Annual observance in honour of John Graves Simcoe. He was the first lieutenant governor of Upper Canada, which is known as Ontario, today.

August 3rd Water Play Day - Bring water play attire and a towel!

August 5th Athlete Day - Dress up as your favourite athlete or sports team!

August 9th Tourist Day - Dress like you're going on vacation!

August 13th Water Play Day - Please bring a towel and water play attire!

August 20th Pajama Day - Wear your favourite pajama's!

August 25th Under the Sea - Wear under the sea themed attire (mermaids, sharks, fish etc)

Learning Fun

Pasta Sensory!

Watch your children explore with their sense of touch!

Materials:

- Dry macaroni
- Bottles or containers of various sizes
- measuring cups and spoons

Instructions:

- set out a tub of dry pasta noodles along with several containers, bottles and measuring cups to play with.

Positive: Professionalism, Responsiveness

It was our first year in Canada and we were overwhelmed with everything around but the team of Lullaboo made it really easy and smooth for our daughter and us. Hanan was amazing and reassuring since the virtual tour and throughout the whole journey. She was attentive to my concerns and supported us in so many ways. Teachers in preschool 1 (Ms Zandra and Ms Bri) were amazing, always listening and making all their best to make the kids happy. My child learned so much and made precious friendships and it's very sad to be leaving next year to school. Lullaboo will always be in our memories and we will for sure come and visit.
