

Infants

During the month of August, our infants had really great time learning about different types of transportation. They really enjoyed making a wagon from cardboard boxes, riding bicycles and tricycles together. We also did lots of fun activities such as: decorating our trucks, hot air balloons as well as making a bicycle out of different shapes. They were also really interested in looking at trucks and cars driving by our classroom window.

In the month of September, majority of our infants will be graduating and transitioning to toddler's room. We will miss them a lot but we wish them all the best for their new adventure.

We are so happy to welcome new friends and their families who will be joining our room in September.

Toddlers

Toddler1

We will be getting lots of new faces in our Toddler 1 classroom and can't wait to meet everyone. This month, we are going to learn about "All About Me" by implementing and creating fun activities for the children to engage in.

Please bring in a family photo if you haven't already so we can post it on our family wall.

Toddler 2:

September is a very exciting month with the older children starting school. We would like to say good luck to some of our friends who are moving up to the Preschool classrooms.

We would like to welcome all of the new families joining us and are looking forward to getting to you all.

In September we will be learning "All About Me". We ask that you **please bring in a new or updated family photo** for our

family board!

We would also love to know all about your family! please send us a little note about your child and their family include thing like: their fav. things, family background, languages spoken, pets, dislikes, anything you would like us to know.

Just a reminder that we would like it if you please label belongings before coming into the center so that we can ensure that belongings go home with the right family.

Please make sure that your child has extra clothes as accident sometimes do happen.

Preschoolers

Preschool 1:

We would like to welcome our new friends into the room and say good bye to some old friends, transitions are upon us.

This month, we would also like to focus on self-help skills: specifically dressing skills (dressing & undressing) to help prepare the children for the fall & winter months and with your help (families) we would also like to start potty training with the children.

We would also like to ask all our new families to provide a family photo or an updated photo which we can add to our family wall.

Preschool 2:

Welcoming our new children and families to Toddler 3/Preschool 2, we are so happy to have you in our class! We hope everyone's summer was filled with lots of fun. During the month of September, we have implemented lots of fun hands-on and fine-motor activities all about animals!

We will also be increasing our children's self-help skills such as dressing; undressing, taking our shoes off and putting them back on. Please ensure your child is dressed weather-appropriate so that they are able to enjoy outdoor play. Refer to the calendar with fun events for this month!

Preschool 3:

In the month of August, the Preschoolers have been learning to recognize letters of the alphabet, numbers, colours and shapes. For the month of September, we will be learning about "All About Me" implementing activities that children can recognize other similar interests and dislikes. With the new school year approaching, we ask parents to label all belongings coming in to the centre.

Preschool 4

What a fun month it has been! For the past month, we have been implementing and teaching the children about different kinds of animals and where they live. The children enjoy being creative by, creating fun pictures of animals using a variety of loose parts. For the month of September, we will be talking about Transportation.

Supervisor

As we welcome September at our Campus we want to welcome all of our new families to our campus and welcome all the children to their new classrooms. September is National Literacy month and we want to share this in all of our classrooms through different literacy related activities. Literacy is one of the best ways to prepare young children for their educational journey and to nurture a passion for reading.

Please be sure to look out for our September calendar posted on our main window.

**Sept
30th**

Favourite Shirt Day

Learning Fun

For September, we will be focusing on Literacy month implementing and supporting children to strengthen their ability to read, write, communicate and socialize.

Writing is an important part of our daily lives. It is, however, a difficult skill to learn and master. By getting a head start with some simple activities, you can help your child begin to develop writing skills at an early age. Here is a fun activity families can do at home to help develop writing skills.

Director

I want to take this opportunity to welcome all new children and their families to Lullaboo, please feel free to contact me at any time I always have time for you, and I love to hear from you.

September is a busy time as we say goodbye to few children that graduated from JK, we look at them so proud and see the difference that we did together and made in their life.

We are also excited for the new children as we get ready to educate and help them achieve all their milestones.

It takes a village to raise a child, it is important that we have open communication with families to learn their expectations, this way we can set goals for each child together and we work together on achieving them one goal at a time.

Providing empathy, and love is the first step into a child's heart, this opens the door to their mind and allows them to learn.
